*****Monetary donations are needed to help us ship the care packages.** This is always our biggest need by far. Shipping costs have increased annually and it does not matter how much "stuff" we have if we do not have money to ship it. There are thousands of troops counting on us to send them some love and cheer from home!

*****Please note:** 1) The U.S. Postal Service regulations do not allow anything in **aerosol cans** to be shipped. 2) Shipping currently takes about 14-21 days to the combat zones. It takes us about a week to get everything sorted and boxed. Please keep this in mind when you are checking **expiration dates** on food items. 3) We are currently **not accepting** any books.

*****Drop off deadline is Nov 30, 2019!** In Nov & Dec 2018 we shipped 9,786+ stockings to troops all over the world.
