

## Field & Court Rental Safety Measures & Policies

- Arrive at facility no more than 10 minutes prior to scheduled rental time.
- No spectators are permitted for adult league competitions.
- Please make sure everyone participating on your team is healthy. If you or any participant within your rental group is sick or you suspect that one of you is ill please do not come to the facility.
- **Face masks, covering mouth and nose, are required for everyone in the facility. Players may remove their face mask to participate in their respective sport but it must be placed back on immediately after the physical activity ends (and prior to cleaning up, taking photos, grabbing equipment, etc.)**
- All members of your rental group must check-in at Guest Services for a touch-free temperature check for all participants. This is a mandatory action for all customers/members/guests. If your temperature exceeds 100.4 degrees you will not be permitted to participate in your scheduled event and asked to leave the facility.
- If not already completed, you will be asked to update your Body Zone Liability Waiver.
- Proceed directly to your scheduled venue, no loitering in common areas will be permitted.
- Social distancing, six-feet or more apart, is mandatory at Body Zone with the exception of while participating in competitive sports.
- Make sure to wash your hands and/or use hand sanitizer prior to the start of your game. We have "Sanitation Stations" located on our fields and courts for this use.
- Please do not use any other restrooms at Body Zone besides our main corridor restrooms located just past Guest Services
- Bring your own water bottles for personal use. Use of facility water fountains is not permitted.
- When your rental is over, you must exit Body Zone immediately so Body Zone staff may begin the disinfecting the utilized areas.
- Body Zone's face mask and social distancing rules apply while in our parking lot.
- Please refrain from gathering in groups and socializing.
