Download the Body Zone App!

Please note! Account set up via the Online Portal is necessary before logging into the app.

1. Search for Body Zone Complex in the App Store (Apple) or the Play Store (Google).

2. Install it on your device.

3. Log in using the username and the password you created during the initial account setup. You can view and edit them in your portal by going to "View My Info" > "Personal Information" (select "edit" on right margin).

4. Allow "Notifications" to receive special offers and important club updates and alerts.

Special Features:

· Your check-in scan code will appear at the top.
· View daily class schedule
· Register for classes, programs and activities
· Access your check-in history and billing statements
· Edit account information
