# Class Descriptions

**Advanced Circuit Training:** Come ready to sweat and be ready for a challenge! This class will be a series of intense timed circuits to increase your strength and cardio endurance. If you're looking to improve your fitness level, this class is for you!

**Athletic Barre:** Athletic Barre is a total body and athletic workout using lots of fitness props like balls, tubing and light weights. Expect high repetitions of small effective movements and isometric holds within many positions. Bare feet recommended but not required. Please bring your own mat.

**BZ Boot Camp:** Push your training to the next level with this high intensity cardio and muscle conditioning workout. Workouts will vary every class and will target all your major muscle groups!

**Barre Fusion:** 45 minutes of isometric movements and muscle toning using bands, Pilates balls and more. This class will be choreographed to music while challenging each movement.

**Beginner Strength and Cardio:** If you are new to group fitness, this class is for you! A certified personal trainer will take you through a 30 minute interval style class, introducing you to strength and cardio exercises with lots of modifications for all levels of fitness.

**BODYATTACK™:** This class is a sports-inspired cardio workout for building strength and stamina. It combines high-energy interval training class combines athletic aerobic movements with strength and stabilization exercises.

**BODYBALANCE™:** A new generation yoga class that will improve your mind, your body and your life. You can expect to bend and stretch through a series of simple yoga moves, elements of Tai Chi and Pilates while an inspiring soundtrack plays in the background. Breathing control is a part of all the exercises, and instructors will always provide options for those just getting started.

**BODYCOMBAT™:** This class combines kicks, jabs and strikes from a range of self-defense disciplines like karate, boxing and Tae Kwon Do into powerful and energetic routine.

**BODYPUMP™:** Get ready for a weight training workout that uses barbells with adjustable weights. This format is ideal for the beginner through the experienced exerciser as you are in charge of how much weight you put on the bar.

**BODYSTEP™:** This energizing step workout uses a height-adjustable step and simple movements on, over and around the step. Cardio blocks push fat burning systems into high gear followed by muscle conditioning tracks that shape and tone your body.

**Box Cross:** Increase your stamina and cross train in this 45 minute, all encompassed boxing class. Starting off the class, you will be doing functional and fun movements and lifting weights. The last 25 minutes of class will be boxing on the bags and getting a straight up cardio workout! \* Boxing gloves required for this class.

**Cycle 45:** This 45-minute freestyle class is instructor's choice of music and motivation. Each class normally combines climbs and free spins to make the ride a super calorie burner and extreme cardio workout. New to a cycle class? Ask your instructor for help with bike set up, proper alignment and other tips.

**Cycle 30:** Our quick 30-minute version of Cycle for those who need a shorter workout.

**Cycle + Cross:** 30 minutes of cycle and 15 minutes of core and strength training focus off the bike to finish up the class. It is recommended to bring your own mat.

**LES MILLS CORE™:** A challenging but achievable core workout for all levels of fitness. You will be guided through correct technique as you work with resistance tubes and weight plates, as well as bodyweight exercises like crunches, and hovers. There are some hip, glute and lower back exercises as well. 30 minutes or 45 minute classes.

**Power Yoga:** This class will stimulate your body and mind while improving flexibility and overall strength. Power Yoga will stretch and strengthen the muscles while building core stability while promoting the opening of deep muscle tissue. These powerful moves will build your heart rate and teach you to move with your breath as you rinse and detoxify your organs. Power Yoga will challenge your physical body, mind and spirit; concluding with a deep rest at the end of every class. Beginners and intermediate levels will be guided on how to modify or intensify poses. Yoga experience is recommended.

**Row Cross:** 45 minutes of rowing and strength training equals great results! Let your coach lead you through a high energy workout on and off our rowing machines. MYZONE heart rate monitors will be of focus as we take your fitness to the next level! MYZONE heart rate monitors recommended but not required.

**Row Cross 30:** Our quick 30-minute version of Row Cross for those who need a shorter workout.

**SPRINT™:** This Les Mills cycling class is a 30-minute High Intensity Interval Training (HIIT) workout, using an indoor bike to achieve fast results. You'll combine bursts of intensity, where you work as hard as possible, with periods of rest that prepare you for the next effort.

**SPRINT™ + Cross:** Les Mills SPRINT™ class + 15 minutes of core or strength training focus off the bike to finish up the class. It is recommended to bring your own mat.

**Step Works:** This is a fun class! You'll use an adjustable step for 60 minutes of continuous cardio and superb choreography by our amazing step team.

**Step & Tone:** Enjoy our Step Works class with a boost of weight training and core to finish off your workout!

**Strength & Abs:** Focus on strength training using all types of fitness props like resistance balls, BOSU Balls, dumbbells, bands and more. Core and ab work within the class to encompass a total body workout.

**Timed Circuits:** This class provides a wide variety of full-body exercises that are short-timed bouts of work focused on building strength, cardio and core.

**Total Body Fit:** Anything goes in this fun, intense class. You will be pushed in circuits or as many rounds as possible to get a total body strength and cardio workout. This class is for anyone wanting to work hard and modifications will be shown.

**Vinyasa Flow Yoga:** This is a moderately paced class with emphasis on good alignment and conscious movement with the breath. Build strength and muscular endurance in addition to flexibility, balance and focus. Prior experience with yoga recommended.

**Yoga:** Increase health and reduce stress in this yoga basics class. Focus on proper alignment in physical postures, and movement will be linked to the breath. The result is stronger, more flexible muscles, released tension, and a tranquil mind. Instructor will adapt sequences to meet the specific needs of the class whether it be beginner or advanced!

**Yoga Groove:** This class has a music vibe within a Vinyasa Flow style yoga. With every class, at every level of experience, you'll strive to reach and progressively sharpen your edge. No matter what you're into athletically, weightlifting, golf, soccer, or swimming; yoga will help you improve your game. No matter what you do professionally, regardless of how mentally or physically taxing; yoga will help you clarify, relax, focus, and concentrate. You will discover strength and energy you never knew existed. You do not need any prior yoga knowledge to attend this class.

**Zumba®:** This is a Latin-inspired, dance-fitness class that incorporates inter-national music and dance movements, creating a dynamic exhilarating, and effective fitness system. This class combines fast and slow rhythms that tone and sculpt the body using an aerobics/fitness approach.
