# Keep It Moving Fitness Challenge

For Body Zone's Older Adult Community  
August 21 - September 3, 2023

## Your Challenge:

Walk the track, take an Active Aging new group fitness class (see modified schedule on reverse side) or a class from our main group fitness schedule or join us for an educational weight/cardio training class ... Just *Keep It Moving* during the two-week challenge by mixing up your fitness at Body Zone.

Introduction to Resistance (Strength) Training: Precor Machines

## About Introduction to Resistance & Cardio Training Classes by BZ Trainer Michelle Harris:

Resistance and cardiovascular training outside of group fitness classes is key to improving quality of life. Resistance training is a great way to increase muscle mass while cardiovascular training helps improve endurance. Let's get strong and more fit so we can be more active and have more fun in our daily lives!
